

Placement Report

Batch of 2017 – 2019

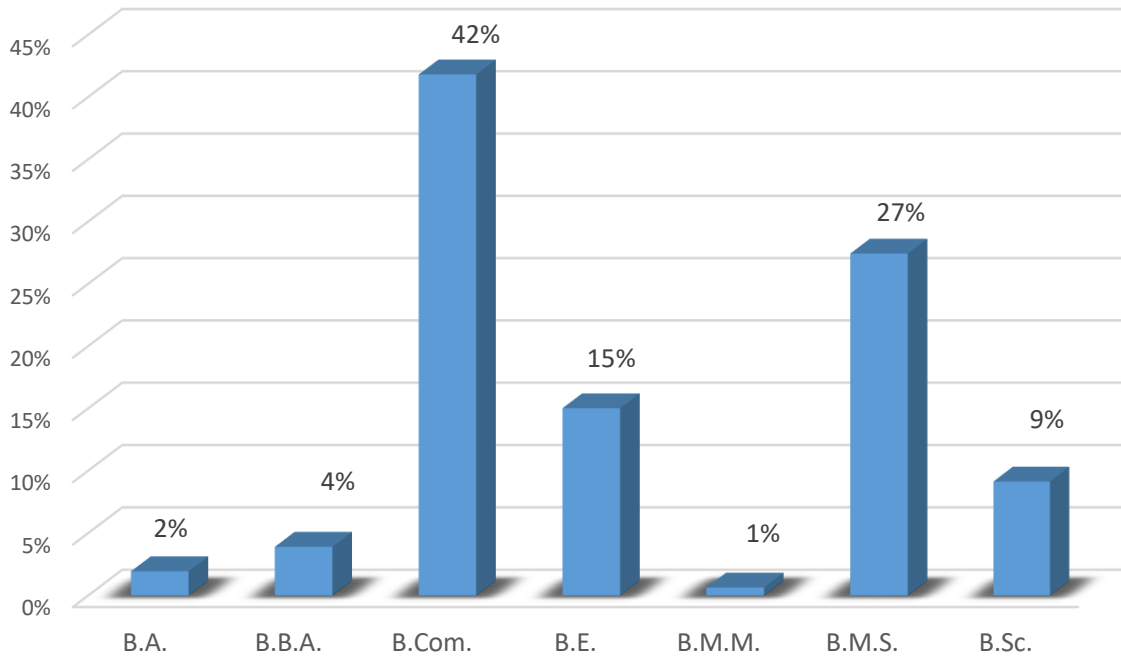

The batch of 2017 – 19 was an eclectic mix across demography, qualification, experience and skill sets. The batch was admitted through the merit list of CET scores as conducted by Directorate of Technical Education.

The batch comprised of 75:25 ratio for gender skewed towards male students. Further, the batch had a bigger proportion amounting to 42% of commerce graduates followed by 27% management graduates. Engineers accounted for 15% of the batch size. The batch had 30% of the students having a work experience of more than 2 years. 10% of the students had work experience of less than 2 years and the remaining 60% of the batch was made up of fresh graduates. As is the case every year, a major chunk of students, 56% to be precise, opted for marketing as a specialization followed by 37% of the students opting for finance.

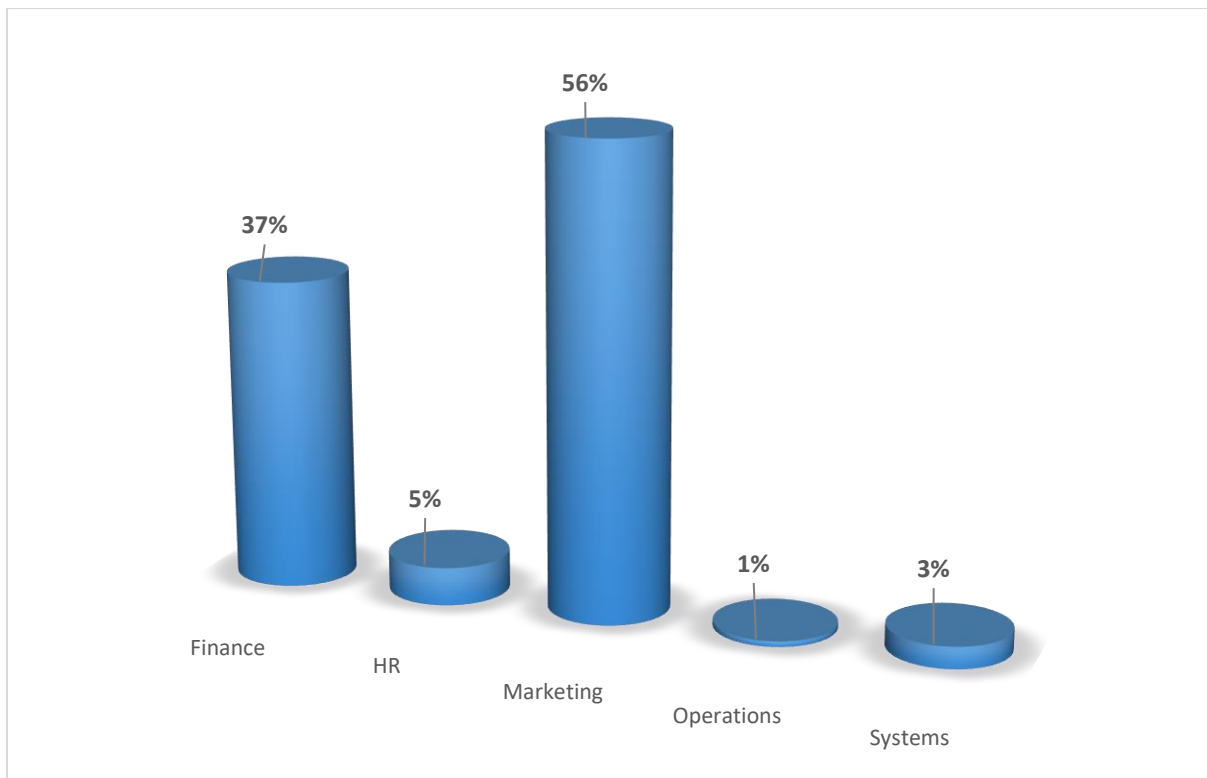

Gender Breakup

Qualification Breakup

Specialisation Breakup

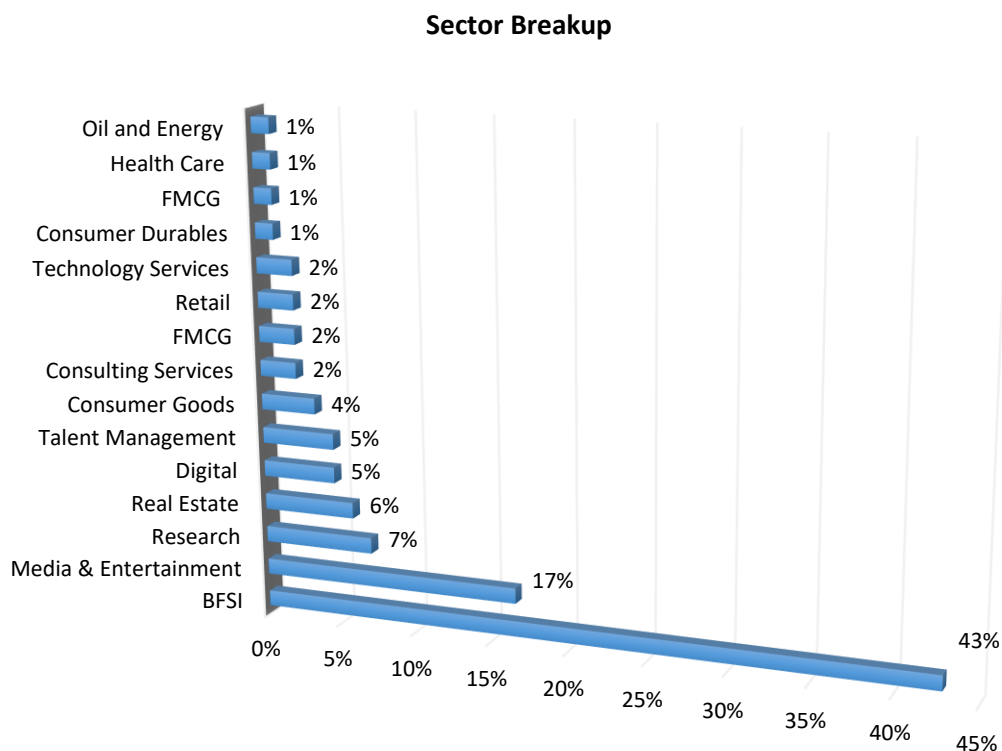

The campus recruitment for the batch of 2017 – 19 had approximately 60+ companies participating in the Executive Placement Process. These companies were from varied sectors and recruited across specialisations.

The Placement Process for the batch of 2017 – 19 started in October with invitations to companies across sectors. These companies include the ones regularly patronizing the institute as well as identified new companies in upcoming sectors. The process of recruitments was held in the period November 2018 – January 2019. More than 60% of the students of the batch started working immediately after their Semester 3.

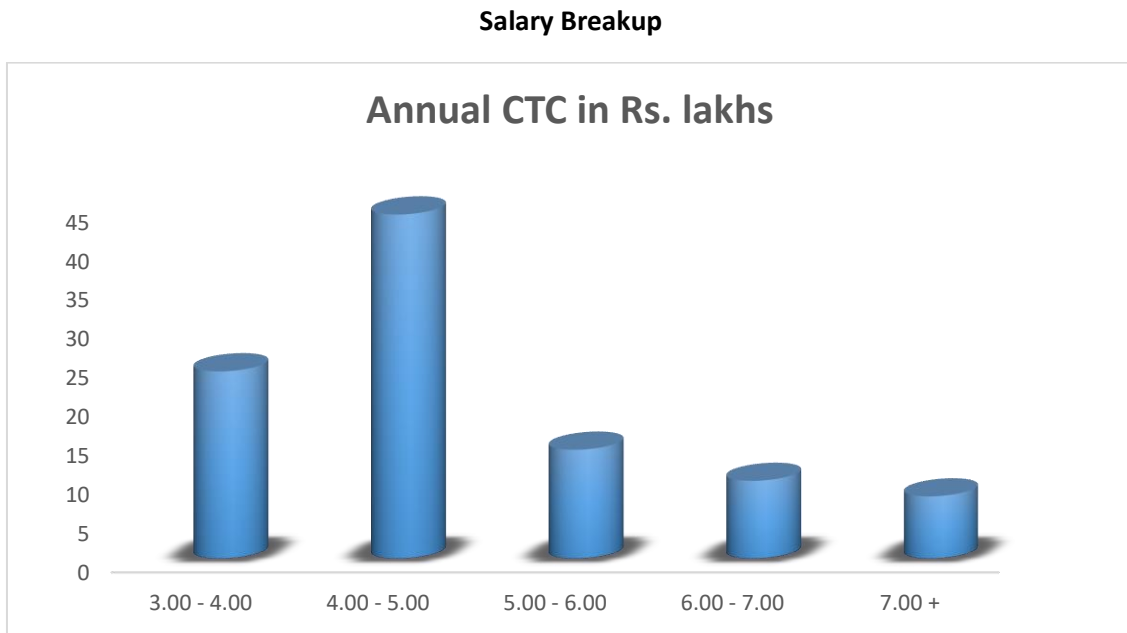

The strength of the placements of the institute has always been two major sectors and this year too both BFSI and Media & Entertainment were the major recruiters. Almost all the major banks were a part of the recruitment process along with financial services like Insurance, Broking and Advisory. The institute takes pride in its association in Media & Entertainment. The alumnus of the institute over years have been a part of Advertising, Media Channels, Media Agencies, Digital Agencies and Communication Agencies. As is the case every year this year too all these sectors were a part of the recruitment process. An another strong feature of the Placement Process was around 15% of the students being placed in Research and Consultancy.

The sectoral breakup of the recruiting companies for the batch of 2017 – 19 is displayed below:

The salary structures for the batch of 2017 – 19 ranged from a CTC of Rs. 3.5 lakhs per annum to Rs. 8.5 lakhs per annum. The median salary for the batch was Rs. 4.5 lakhs per annum. Close to 45% of the students had a CTC in the range of Rs. 4 lakhs to Rs. 5 lakhs per annum.

The salary breakup of the batch of 2017 – 19 is displayed below:

Key features for the placement of the Batch 2017 – 19 is as below:

1. Median CTC increased from Rs. 4 lakhs per annum to Rs. 4.5 lakhs per annum.
2. Highest CTC rose from Rs. 7.5 lakhs per annum to Rs. 8.5 lakhs per annum.
3. Total number of companies participating in the recruitment process increased by 15%.
4. The placement process saw a big proportion of new age companies as a part of the placement process which included Digital Marketing Agencies, Technology based Services and Startups.
5. The placement process ensured retention of the regular patronizing brands prominent amongst which are :
